AMENDMENT NO. 1

COMMODITY SPECIFICATIONS DEHYDRATED POTATOES

Washington, DC
20250

1. The purpose of this amendment is to revise item number 3. Labels, paragraphs 1 and 3, Section H, FV308-CS1, Commodity Specifications, as follows:

"H. Packing, Labels, Packaging and Markings

3. Labels

1. For product packed in 12/1-pound packages per case, the labels will be of two colors and of the type and design shown in mechanicals for base art and overlay. These mechanical layouts, suitable for reproduction, are available from the Contracting Officer upon request. All printing shall be made scuff resistant by the application of a varnish, lacquer, or synthetic coating to the label after printing. The Universal Product Code (UPC) bar code must be placed on the bag labels and on shipping cases. See Exhibit "H" for details. **Contractors are required to print the nutritional labeling information on each bag as required by the Federal Regulations. Contractors are also required to print the instruction for use on each bag.** The net weight shall be expressed in metric as well as avoirdupois units.

3. For product packed in 6/5-pound packages per case, each bag shall be marked with the words "Instant Mashed Potatoes" and "Approximate Net Weight 5 pounds, and kilograms, or avoirdupois". **Contractors are required to print the nutritional labeling information on each bag as required by the Federal Regulations. Contractors are also required to print the instruction for use on each bag.**

2. All other terms and conditions remain unchanged.

Sincerely,

Felicitas C. Lofton
